### **CORNELL UNIVERSITY LIBRARY ANNEX FREEZER**

Ithaca, NY

Contact:

John Dean, Dir., Department of Preservation/Preservation

(607) 255-9440 (work)

(607) 272-4162 (home)

[jfd5@cornell.edu](mailto:jfd5@cornell.edu)

Barbara Berger Eden, Assistant

Director for Operations

(607) 255-9440 (work)

(607) 272-4162 (home)

Freezer especially designed for short-term (up to 4 weeks) cold storage of water-damaged library materials. Capacity: approx. 9,000 books, or 900 cubic feet of documents. Operates at -20F constant temperature. Available as a regional resource to non-profit libraries, archives, historical societies, and museums in the Central New York area. Use for small disasters (fewer than 500 books) is discouraged; personnel listed above may be contacted for advice on dealing with small disasters. A library using the freezer will be charged on a cost-for-use basis covering the immediate expenses (electricity, repair, replacement of supplies) related to a particular incident, and may be asked to provide staff to help with clean-up after the freezer is emptied.

## *HUMIDITY INDICATORS*
