00:18:33 Kaela: Where does the 72 hrs data come from?

00:20:02 bob: Articles from medical journals have claimed that Covid-19 can live on plastic for up to 72 hours. Because most of our books have plastic covers over them, we follow that guideline.

00:20:38 jahtheel selmon: Have any library employees been infected?

00:21:02 Kaela: Thanks, Bob

00:22:34 jahtheel selmon: Can OCPL provide masks to employees when we finally return to work?

00:24:50 Cathy Bauer: Are the public libraries closed until 5/1? OCC let us know yesterday that is our new target date for opening.

00:26:12 glenna wisniewski: liverpool is saying until further notice but waiting until our local school district makes a decision

00:32:32 Michelle: has anyone thought ahead to what you are thinking for summer reading? Cancel the in house programs?

00:32:47 jahtheel selmon: Not just access to WiFi, but devices, too!

00:33:23 jahtheel selmon: A family of four with one laptop compete for time!

00:34:49 jahtheel selmon: WCNY is delivering classes via TV, but the class schedules is strictly on their web site.

00:36:46 jahtheel selmon: Refugee & Immigrant Self Empowerment (RISE) is also asking for device donations.

00:37:35 Maggie Gall-Maynard: ghe document I just posted is the rights for permissions on virtual storytimes. Because it's a google doc, it can be updated as things change

00:37:41 Maggie Gall-Maynard: the\*

00:38:21 glenna wisniewski: votes postponed until AT LEAST June 1

00:39:03 Debby: Our children's librarian is doing story time on a YouTube channel

00:39:20 bob: Meg is there answering the phone, Meghin (the children's librarian) has moved some activities online, and we're adding new materials to our website.

00:39:51 Manlius Library: We are doing all kinds of children and teen programs online

00:40:00 glenna wisniewski: Lv answering ref calls and email remotely

00:40:01 Betsy: Cazenovia is also doing online story timr

00:40:05 bob: We just added a new "Entertainment" page to our website to relieve pressure and wait lists on our paid resources.

00:41:43 Lisa Bankert: For the libraries doing online storyline, are you using YouTube or another technology?

00:42:00 glenna wisniewski: if a patron has forgotten pin they can reset on their account online.

00:42:12 Manlius Library: We are not doing phone service, but are answering email at [help@manliuslibrary.org](mailto:help@manliuslibrary.org) - we can remote into Polaris if needed.

00:42:35 glenna wisniewski: I think Bville is answering phones. LV returning phone calls and emails remotely

00:42:52 Manlius Library: We are doing story times on YouTube and livestream on Facebook

00:43:02 Lisa Bankert: Thanks Manlius!

00:43:26 Manlius Library: It's Jen! :) You're welcome!

00:43:38 Lisa Bankert: :) Thx Jen!

00:43:41 Susan Hansen: Starting a book discussion online meeting this week recording it in Zoom

00:44:06 bob: In the settings for UltraVNC, you can remote into Polaris machines and access Polaris that way. You'd have to get help from downtown to set that up thought.

00:44:21 Maria Cancro: unfortunately that doesn't always link up with the e-services

00:44:30 bob: \*though

00:45:02 Manlius Library: OCPL folks - check with Dane, but I believe that there are people downtown who are accessing Polaris remotely too - and I can if you need someone to. (This is Jen :) )

00:45:14 jahtheel selmon: Re: PAC log in : People are panicked - not thinking well.

00:47:40 bob: Might need to have "seniors only" library hours, the same way that retail stores are doing seniors only shopping.

00:47:43 Cristina Pope: If anyone is interested in helping with the epidemiology of covid-19, here is a link to info about a citizen sciences group :

00:49:10 Manlius Library: I have someone responding to the Facebook messages and our help email goes to a different librarian each day

00:49:21 Chantal Rothermel: I am answering whatever questions/comments come through on our social media

00:52:44 Kaela: April - we aren't doing our own online story times either. What are your criteria on others' that you link to? If they are on ig? fb? at specific times I have hesitated to link due to restrictive nature.

00:53:01 Amanda Schiavulli: But Rhode Island is it's own State! :)
