00:52:16 glenna wisniewski: LV curbside is doing well—staff is very excited to be back in the building. the teams scheduling is working well

00:52:35 glenna wisniewski: hardest part is reminding staff to keep distance from each other

00:52:52 CLRC: Ryan I can not hear. Trying to figure it out. I assigned you as co-host.

00:53:24 glenna wisniewski: We posted lots of signage in work areas as reminders

00:54:41 glenna wisniewski: There is a video on the LV facebook that walks patrons through the curbside pick up if anyone wants to see how it works for us

00:55:18 Mandy Travis: Nice, I can't wait to watch that!

00:56:01 miranda mcdermott bc: curbside at beauchamp is going fine. people are asking for a variety of services that we cannot provide at the moment. we show them a sign w our phone number

00:56:34 glenna wisniewski: I don't think my mic is working right

00:57:19 miranda mcdermott bc: curbside video I saw at one of clrc's meetings, the staff had no masks and no gloves

00:57:21 Amanda Schiavulli: Jordan is June 8th too

00:57:26 glenna wisniewski: Our video is picking up in our garage so it will be a little different

00:57:45 Maija McLaughlin: Fayetteville is June 15th also

00:58:25 glenna wisniewski: gotta run—please feel free to email me if you want to see our full procedures etc

00:59:50 jacklyn hoyt: Can everyone please mute who's not speaking please?

01:01:31 Cathy Bauer: Having technical issues, can't mute. I have no sound on the computer, so I have both my phone and computer screen. It is very quiet here.

01:11:29 Rebecca Kluberanz: I was there!

01:14:47 miranda mcdermott bc: possibly in june for ocpl

01:17:34 miranda mcdermott bc: it might be good to continue curbside after covid. patrons like the convenience. stage 2 for ocpl. 10 people in library at once. with 7 staff, that means 3 people for computer appts only 2 hrs

01:18:44 miranda mcdermott bc: antibodies don't mean people are immune, but much conflicting info about this

01:19:38 miranda mcdermott bc: ocpl does temp checks every day, but many carriers of covid are asymptomatic

01:20:32 Cathy Bauer: At OCC we will be screened for temperature before entering campus each day.

01:20:52 Cathy Bauer: I go back tomorrow.

01:21:08 Cathy Bauer: How much time?

01:23:58 miranda mcdermott bc: one person at ocpl tested positive, had been working from home for previous week

01:25:23 miranda mcdermott bc: any libraries affected by George floyd protests? ocpl creating antiracism book list for Syracuse.com

01:27:41 miranda mcdermott bc: what are people doing about providing services to customers without masks?

01:28:25 miranda mcdermott bc: or put something on library's web site about support for black lives and diversity and anti-violence?

01:29:58 miranda mcdermott bc: an online diverse conversation, definitely need to talk not have people attacking cops and vice versa

01:30:13 D Dell: great idea, Mandy

01:30:22 miranda mcdermott bc: thanks everyone for a great mtg

01:30:32 Rebecca Kluberanz: Mandy - I love that idea
