# HOSPITAL LIBRARY PROGRAM

## INCOME

## EXPENDITURES

Much of the activity at CLRC for the year has focused on distributing \$380,000 to our members from the America Rescue Plan Act (ARPA). These funds were received by the New York State Library from the Institute of Library and Museum Services for distribution to libraries and museums. CLRC was grateful that we received grant applications to cover the money received. A few notable projects are two privacy/telehealth booths for patrons at OCPL, three book lockers for Mid-York libraries, and funding to purchase ebooks for schools through our area BOCES. CLRC partnered with LiteracyCNY to develop and implement a Digital Navigator in public libraries in our four-county service area.

Thank you to our Board of Trustees, committee members, volunteers, and the CLRC staff for another year of great programs and activities. - *Marc Wildman*
