The last year has been one of transitions and new beginnings for CLRC. Rebecca welcomed her baby, Cameron, to her family (and we kept CLRC's continuing education program going in her absence). We wrapped up our projects funded by the America Rescue Plan Act (ARPA). I am honored to be CLRC's new Executive Director, and I am excited to lead the organization into our next chapter. Through it all, our staff has stepped up and made sure that we have offered the best we can for our members. I appreciate the encouragement and support of our Board, members, and the wider community. Over the coming years, I look forward to building on our community and strengthening our profession. - *Ryan Perry*
